24	27	24	5	24	5
25	26	25	5	25	5

*If there are two distances for a race, points will be assigned first to all places in longer distance and then to the shorter distance. Points will go up to 50 places. Points are assigned based on finish time order by gender, but regardless of age. Must participate in at least 2 races in series to be eligible for awards.

**To encourage participation in sprints and technical races, the first three places will receive 10, 9, and 8 points and then all remaining participants will receive 5 points.
